Author's Notes:
This is my first band-fic drabble, which I\'m finally putting up, so here goes nothing...

"Oh, baby." The drummer gasped and let out a sigh as Paul's lips smacked.

The guitarist opened his jaws and swallowed. This was everything he needed--everything he wanted--right here, right now. The taste urged him on further. He'd ignored his hunger for far too long, and now...

Slurp...slurp...

"Damn! Watch it, there." Schneider's eyes went wide. He'd never seen Paul this worked up before, this...passionate, with eyes closed and face contorted and mouth full.

"I can't help it." *Lick. Gulp.*

"Note to self: talk to band about putting eclairs on the contract rider."

A chuckle. "Hey, man, want one?"
